

**Special Notes  
To  
LSCM Call-for-Proposals (November 2011)**

**Amendments to Guide to Filling in the Application Forms**

**Point 6 of General Section in Page 3:**

6. Applications must be submitted to the Hong Kong R&D Centre for Logistics and Supply Chain Management Enabling Technologies (LSCM) either:
  - (a) in hard copy in triplicate (one original plus two duplicate copies) in person or by post. Please also kindly provide a soft copy (preferably in MS Word 2003 or above); or
  - (b) submit to LSCM through the Innovation and Technology Commission Funding Administrative System (<https://www3.itf.gov.hk>).

**Special Notes to LSCM Call-for-Proposals**

**Project Promotion Requirements for Platform Research Programme**

1. Recipient organizations are required to budget at least one project dissemination event of not less than HK\$25,000 for showcasing project technologies and information at the LSCM Annual Conference exhibitions or other ITC supported events.
2. Recipient organizations are required to provide project deliverables and prototypes as well as project dissemination materials/information for exhibitions and solution demo's at the LSCM Technology Showroom.
