

For Immediate Release

**LSCM supports the HKSAR Government's COVID-19 Vaccination Programme  
with the special leave for LSCM employees**

**31 May 2021, Hong Kong** — The Logistics and Supply Chain MultiTech R&D Centre (LSCM) supports the HKSAR Government's vaccination programme that employees will receive one day of vaccination leave after each dose of vaccine, so that they can have adequate rest. At the same time, in appreciation of their support for the vaccination programme, employees who have been vaccinated on or before May 31 can, for each dose of vaccine, apply for a one day of vaccination leave that may be taken before March 31 next year.

LSCM believes that high vaccination rate is beneficial to the society and the overall business environment, which ultimately benefits all walks of life.
