### Dear LSCM Member

Following a successful event in 2009, Printed Electronics Asia 2010 will be held in Hong Kong on 13-14 October 2010. New this year, this event is co-located with the IDTechEx event, **Wireless Sensor Networks, Energy Harvesting & RFID**. Attendees have access to both events and the common exhibition to maximise both value and networking opportunities.

Hear from major end users discussing their requirements and experiences, along with the full breadth of technologies from around the world. Over 40 international speakers will present on the latest research and applications.

**We hope you'll be able to join us in Hong Kong!**
