Hear what they say...

The variety of both exhibitors and visitors is the most impressive. ALMC is absolutely the go-to event for the logistics industry in Asia. I do not believe any other conference can rival it.

Dr. Victor Fung, Group Chairman,
Fung Group

The topics discussed are very relevant, and I am impressed with the calibre of the speakers and appreciate their insights into the industry.

Mr. Eric Ip, Group Managing Director,
Hutchison Port Holdings Limited

The exhibition part provides opportunity to discuss cooperation with potential partners. ALMC does a good job of targeting its participants. I met my target 100%.

Mr. James Chang, Group Chief Cross Border Officer,
Lazada Group
